Can I do load sharing with DSL-2 and DSL-2XT ?

Clemens - 2023-01-18 - [DSL-2](#)

DSL-2/MSL-2 and successors DSL-2XT/MSL-2XT are doing load sharing via Ethernet lines.

If you want to do load sharing between old DSL-2/MSL-2 and new DSL-2XT/MSL-2XT you have to make sure that latest firmware Revision L is loaded in your DSL-2/MSL-2.

Latest DSL-2/MSL-2 Firmware Revision L (partnumbers 8440-1877/-1878/-1977/-1978 can be downloaded here: https://wss.woodward.com/manuals/Support/Firmware_DSL-2_MSL-2
