CAN I add more than 2 easYlite-200 to easYgen-3000XT controls

Justin Schneider - 2026-07-27 - [easYlite-200](#)

easYgen-3000XT is supporting two easYlite-200 Module 1 and Modul 2 per CAN bus port.

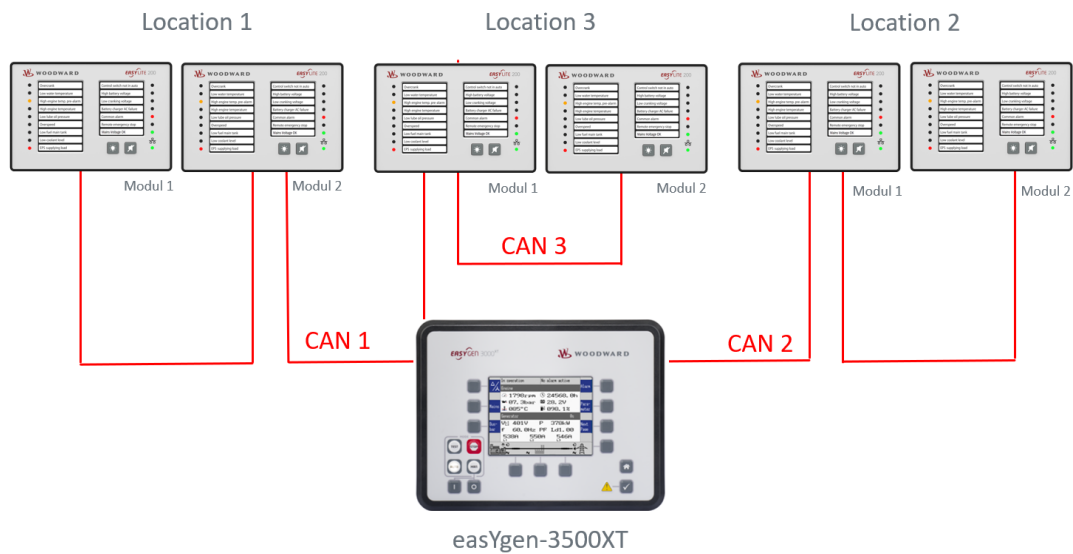

So you can add up to 2 x 2 easYlite-200 annunciators at easYgen-3200XT's CAN 1 & CAN2 port.

Typical use case easYgen-3200XT

So you can add up to 3 x 2 easYlite-200 annunciators at easYgen-3500XT's CAN 1, CAN2 and CAN3 port.

Typical use case easYgen-3500XT

Keep in mind that each Modul 1 and 2 must be configured in same way.

More information about easYlite-200 remote annunciator see here
