For what is the QR Code Pictogram on your controls ?

Justin Schneider - 2026-07-27 - DTSC-200

The Standard Woodward QR Code Sticker put on our controls routes you to the WSS Documentation server.

https://wss.woodward.com/manuals/PGC/Forms/AllItems.aspx

There, you'll find all documentation, Tool files, protocol mappings, and other data:

- 01 Technical Manuals
- 02 Config Files (latest Revisons)
- 03 Software (ToolKit, Software Tools like Modbus Mapper, USB driver,..)
- 04 CAD Data (01_2D wiring drawings in DXF, DWG or EPlan, 02_3D STEP 3D Models)
- 05 Product Specification (in various languages)
- 06 Others, there you can get e.g the XLS Modbus data protocol list.

Together with control 2 QR code stickers re provided, you can put into your provided documentation or into the switchboard control is installed into.
