GAP 3 vs GAP 4

John - 2024-09-27 - Software Tools

Gap 4 licenses are not compatible for Gap 3 instances.

Gap 3 licenses are compatible with Gap 4 licenses, however, but it will exclude the features that differentiate Gap 4 from Gap 3.

GAP4 monitor license is not backwards compatible with GAP3.

If the customer already has a GAP3 monitor license and installs GAP4 they will be able to monitor GAP their GAP3 project using the GAP4 program.
