Retrieving Valve data sheets from Woodward web site.

Dennis Carlton - 2024-09-27 - General

Goto https://www.woodward.com

You may have to register in order to use this feature.

Select the “Support” tab then “Service & Spare Parts”.

Scroll down to bottom of page and select then “Learn More >” under “Product History Lookup”.

Then enter valve part number and serial number to retrieve test data.
