## Run-up Synch with easYgen-3500XT

Justin Schneider - 2026-07-27 - [easYgen-3000XT](#)

Fast paralleling can be achieved with easYgen-3500/-3500XT integral run-up synch feature.

**Run-up synch** is as well called *static paralleling*, *deathfield synch*, *unexcited start-up* or *start without excitation*
