Support for piston engine governor

John - 2025-04-17 - Aircraft

Dear Valued Customer,

We do appreciate you reaching out to Woodward for assistance but unfortunately we are unable to assist in this manner. I have attached the Tech Support contact information at Ontic and additional information that will assist in getting this matter resolved.

The information you are requesting is for a piston engine governor. Please be advised that effective May 1, 2002, Ontic Engineering, under a licensing agreement with Woodward, has assumed the manufacture and distribution of Woodward piston engine propeller governors.

This includes:

- Manufacture of New production piston engine propeller governors Warranty disposition.
- Sale of Spare piece parts
- Sale of Exchange, Overhaul and Repair of the piston engine propeller governors Governor troubleshooting
- Sale & distribution of the piston engine prop governor manuals
- 33201 Spec Manual & individual manuals

The contact information is as follows:

Ontic BBA Aviation

20400 Plummer Street

Chatsworth, CA 91311
