## Service offering for R-DDV industrial valves.

2022-04-26 - John - Comments (0) - General

Dear Customers,

After careful review of Woodward portfolio, Woodward is making changes to our service offering, specifically, Woodward will no longer perform Maintenance, Repair and Overhaul services for the following R-DDV® industrial valves:

Part numbers starting with : 27A50F, 27B50F, 27C20F, 27E50F and 27G50F.

Note Woodward will continue to honor all warranty obligations for these parts.

For Model 27E50F and 27G50F : Peerless Engineering Sales, Ltd. in Canada can be contacted @

- [info@peerlessengineering.com](mailto:info@peerlessengineering.com)
- phone: +1 (800) 661-5955

For all models you can also contact the Servo Group in the USA.
